

Parent/Guardian Interview

Student's name: \_\_\_\_\_

Date: \_\_\_\_\_

Period: \_\_\_\_\_

Dear Parent/Guardian,

As part of their grade for this marking period, I am asking students to share some of their work with you and to get your responses to the following questions. After looking over your student's work, please answer the following questions or allow your student to interview you and record your answers. These responses give me valuable information to help improve my teaching of your child. Thank you in advance for taking the time to respond.

Sincerely,

1. Based on the portfolio your student has shared (or other work you've seen) what are your impressions of the work s/he is doing in English 1 so far?

2. What, in your opinion, are your student's strengths, interests and goals?

3. What does your student do that makes you proud? What are some of your hopes and dreams for him/her in the upcoming semester?

4. Does your student spend time reading at home? What does s/he like to read? Does s/he discuss what is read? With whom?

5. Tell me anything else you would like me to know about your student as a learner.

Thanks again for your time!

Parent's/Guardian's
