

## THREE LEVEL QUESTIONS

*With examples from **Parrot in the Oven***

1. RIGHT THERE: Questions that can be answered directly from the text.

Question: Who died in "The Garden"?

Answer: Manny's Grandmother

2. THINK AND SEARCH: Questions you can figure out from the text and your own information.

Question: How is the garden image repeated?

Answer: 1. Physical reference: The brothers work in the garden.

2. Spiritual reference: Manny imagines his grandmother's spirit may "blossom in another garden."

So the *garden* becomes a metaphor for life.

3. ON YOUR OWN: Questions that go beyond the experience of the text, that are suggested by it.

Question: Do you believe in reincarnation?
